Dear Pastors and Friends,

May 2013

April has been a busy, productive month. We have had the privilege of being in 11 churches this month, and our support has increased to 47%, putting us almost halfway to our goal. Praise the Lord!

People are still being saved every week in South Sudan! God is moving in this new nation, and we are excited to see His hand moving in such a mighty way in Africa. But be certain, God is moving here in the US as well! We have had visitors come with us to the church services we've been in, and recently saw a number of teens raise their hands to acknowledge a need for Christ to be their Savior. What a blessing to see the Holy Spirit at work!

It's so easy to forget that while most of us have multiple Bibles in our home, many people in the world don't own even one Bible. We are currently working on a project with BEAMS to get Bibles into South Sudan, and Pastor Joe Arthur and his church, Harvest Baptist Church in Jonesboro, GA, have helped us greatly. We have included a letter from him that explains a little bit more about the project. Will you get involved in this exciting opportunity?

We still have a few open dates in the month of May. If you know of a church who may be interested in our ministry, please contact us. We will be leaving for South Sudan in June, so pray that God will provide finances for our plane tickets and the other expenses that we will have to get back to South Sudan. There's lots of work to do as soon as we arrive, so we plan to hit the ground running!

An individual recently told us they want to start supporting one of our national pastors for \$50 a month through our ASSIST program. What an answer to prayer! We have many other nationals that could be fully supported for \$100 per month in both South Sudan and Uganda. Supporting a national would be such a worthwhile investment, an eternal investment. Will you pray about what God would have you to do? If you would like to schedule a national through our ministry to come to your church this fall or winter, please contact us. We are praying about finances to bring one or a couple of these men here to raise support for the Lord's work. Continue to pray for ASSIST, and that people will see the need to support national men to ensure the long term effectiveness of our ministry in South Sudan.

Thank you for praying for us, and for the continued financial support. God is using you! Keep up the good work!

In Christ,

Eric Porterfield
