"For we walk by faith, not by sight." 2 Cor. 5: 7

The Porterfields to South Sudan Prayer Letter May/June 2015 Update

As we approach Memorial Day weekend, we would like to send out a heartfelt thank you to all those who have served our country through the years to protect the great freedoms we have in this land. Travelling to other countries has certainly made us even more thankful for the blessings God has given to America, as freedom to worship God is something many people worldwide do not get to experience.

Our monthly support is continuing to move up despite financial struggles, and therefore reduced support, from some of our faithful supporters. We are happy to say that God has brought us to 87% this month! Thank you for praying about this matter! God is answering!

It's hard to believe, but our sweet baby girl turns one on June 6! Becoming a parent has been such a blessing. Children truly are a gift from the Lord and we are more thankful for her than words can say!

Our youth rally was a great success! There were 5 saved, as well as many others who surrendered their lives to the Lord. There were several Christian colleges represented at the rally so the many young people who came out were exposed to alternatives to secular education and we are praying that when it comes time for them to decide where they will attend college, they will take these schools into consideration. Our scholarship winner is Miss Brianna Mabe from Lewisburg Baptist Church, Pastor Jonathan Comer. Her church has decided to match this scholarship! Congratulations Brianna!

The ministries in South Sudan are holding stable, despite the instability in the economy there and opposition that has been faced. We are hopefully on the verge of having the deed to some of the property there so we will finally have full access to do what God is leading us to do. Thank you for praying about that situation and please continue to do so, as things can change quickly there. We are thankful that God is faithful and continues to bless the men and ministries there.

God is continuing to expand our ministry and so Lord willing, I will be taking a trip to Cuba in the near future. Please pray and fast for me as I travel into this country, specifically for safety, souls to be saved, and that the Lord will open doors if this is somewhere He wants our ministry to expand. We would also ask you to please pray for Ed Clark and Adrienne Wilson, as both are facing serious health concerns.

Thank you for being a blessing to us by your faithful prayers and support. May God richly bless you!

In Christ,
Eric Porterfield
