The Porterfields to South Sudan Prayer Letter November/December 2018 Update

We are so thankful to our Lord and Savior for His goodness to us! This holiday season we are reminded how our Savior came to this Earth so we could have eternal life. Praise the Lord! The Porterfield family would like to wish you a wonderful Thanksgiving and merry Christmas! We are excited about what God is doing through our ministry, and we appreciate your prayers and support.

In Africa, specifically northern Uganda, we have just finished our second session at the Bible Institute. We have also just completed our fourth building project. We are looking to purchase land for our fifth project, but we do have some obstacles right now. George is suffering from an infection in his ear from being stung or bitten by something during his travels. His computer has crashed containing a lot of valuable information, and we are praying this can be recovered. Taban James' wife is in desperate need of a back surgery, and we are praying for a miracle in this situation. The gospel and the Great Commission continue to move forward in northern Uganda to the South Sudanese as well as the Ugandan people.

In Venezuela, Carlos Ramos has been stateside, and he is trying to raise \$2000 for a building project there by the end of the year. Also, we are praying that the ministry will expand into Colombia. In Cuba, we have three groups meeting there now. Pray that it will expand and grow.

Finally, I did win my House of Delegates race by a very wide margin. Please pray for our work in different parts of the world, my son Johnny to sleep more, laborers and financial partners, as well for my dad, John Porterfield, Sr., who is undergoing treatments for skin cancers.

We cherish your prayers as we know God hears and answers prayer. Please consider being a partner with Blind Faith Ministries to further the gospel and disciple nationals around the world for the cause of Christ. If you need additional information, please do not hesitate to contact us.

God bless you.
