## The Porterfields to South Sudan Prayer Letter January/February 2019 Update

Praise the Lord for a new year. We are grateful for all that He did in 2018 and are excited about what 2019 holds. He has been faithful & we can be confident that He will continue to be. Thank you for all those who showed extra love to us during the Christmas season. We appreciate your kindness so very much!

The Bible Institute in Northern Uganda just finished it's 3rd session, officially concluding the very first year. It has gone very well, and we thank the Lord for how He has blessed. We are working to expand for the next year of classes by adding another building to the Institute. Please pray for God's provision, and let us know if you would be interested in getting involved with this project.

One of the biggest projects we are focusing on currently is the ministry near where George lives in Uganda. We ask that you would pray for the Lord's help as we seek to move forward with this work.

We are continuing to see stability in the ministry in Cuba which is a huge encouragement. The work out of Venezuela to Brazil is also doing well and continues to gain favor. We would appreciate it if you would keep them in your prayers. Whatever God ordains, Satan opposes; and they need our prayers now more than ever.

Pastor Carlos Ramos in Venezuela held a Christmas program at his church last month. Over 1,800 people were in attendance, and many souls were saved. 130 of his church members, including children, were involved with both the planning and execution of the program. It was a blessing to hear of those who accepted Christ. It was encouraging to see how many of God's people got behind their pastor in this undertaking. Pastor Carlos is currently in need of a new bus for his ministry and we ask that you keep this need in your prayers. He and his family were also involved in a car accident, and totaled their family vehicle, so please pray for them as they deal with all that is involved with this situation.

We are excited about what the upcoming months hold. As was mentioned in our last letter, we are praying about starting a ministry in Columbia in 2019. I am hoping to take a trip there with my pastor, Pastor James Mattox, in late April or early May. I'll be sharing more details in the future, but would appreciate your prayers for God's wisdom and direction in the meantime.

In conclusion, please pray for James' wife's back. She is having major issues and considering surgery, but finances are a hindrance. If there is anyone interested in giving to this need, I know it would be a huge blessing to them.

Thank you for your faithfulness to partner with us in prayer!
