"For we walk by faith, not by sight." 2 Cor. 5: 7

The Porterfields to South Sudan Prayer Letter July/August 2019 Update

Dear Friends and Supporters,

We are very excited about what the Lord is doing through Blind Faith Ministries. It's a continual encouragement to us how the ministry continues to make progress despite Satan's attempts to stop it.

In early September, approximately 14 students will be getting their graduate certificate from our Bible institute in Uganda. Their faithfulness and commitment to accomplishing this goal has been a blessing both to me and our Ugandan leadership. We are looking forward to how the Lord will continue to use these men as they wrap up their studies and go further in their service for Him. Please keep these men in your prayers.

A couple of the different churches in Venezuela that we partner with and support have exploded in growth in recent months. It is such a blessing to see the Gospel flourishing despite the political turmoil that is plaguing the country. Our prayer is that God will continue to use the crisis to turn many more hearts of the Venezuelan people to Himself.

Our pastors in Colombia and Brazil still need your prayers and support as they work to get their respective church plants off the ground. They are doing an excellent job. If finances allow us to do so, I am hoping to make a trip to Cucuta, Colombia in the near future to be with Jesus Ochoa and his family and the new work they are starting there. In Cuba, Yovany is as consistent and steady as it gets. It is a blessing to partner with such faithful men of God.

My family is doing really well. Our daughter, Beth, started Kindergarten last week. Her enthusiasm about school has been quite contagious. Rich Creek Baptist will be having the annual Call to Duty Youth Rally on August 17th. We would greatly appreciate your prayers for this event and the young people who will be attending.

Our prayer needs, other than those already mentioned above, are for more laborers and an increase in our monthly support, and for my son to be saved the first time he clearly understands the Gospel. We also would like to request prayer for a special unspoken request for our daughter. We will share more details in our next update. Thank you for partnering with us.
