The Porterfields to South Sudan Prayer Letter March/April 2020 Update

Dear Friends & Family,

I am grateful for God's goodness to our family during these difficult days of COVID-19. In the midst of the turmoil, instability, and upheaval our country has faced, He has shown Himself faithful in both His provision and His blessings. We serve a mighty and a good God!

Our national pastors across the globe have been an incredible encouragement to our family in the past couple of months. Although their ministries and lives have likewise been affected due to the Coronavirus, they have remained faithful and constant in prayer - not only for themselves, but for multitudes of others. Many times over the last weeks, I have received emails and messages from Pastor Taban and Pastor George in Northern Uganda and Pastor Carlos in Venezuela informing me that their churches were praying fervently for our ministry and our nation. My heart has been constantly uplifted and strengthened by the prayers of God's people.

On a sad note, Bro. Devis Feiguera, a pastor in Venezuela, just recently lost his precious wife, Editmar, and their newborn baby. Due to complications during the pregnancy and birth, both passed away. Please keep this young man and his family in your prayers during this time. Our hearts are very grieved by this loss, but we are resting in the knowledge of God's sovereignty and the peace that comes through faith in Him.

In closing, here are a few thoughts that have helped our family navigate the Coronavirus: Keep life as normal as possible. Enjoy the time with your family. There may come a time when you no longer have this opportunity! Make sure your priorities are in the proper place. Take time to reflect. Work, school, and the other things that fill our days are a part of life. Busy-ness itself has become such a part of the American culture, and we often forget the discipline of reflection which helps keep us from veering off course in life. Take advantage of the slowness to reflect!

We hope this letter has been an encouragement to you. Thank you for the blessing you have been to our family during this time by reaching out, praying for us, and helping our ministry financially.
