

Blind Faith Ministries

"For we walk by faith, not by sight." 2 Cor. 5: 7

The Porterfields to South Sudan Prayer Letter January - March 2021 Update

Dear friends & family,

What a joy it has been to step into a new year! We are excited about what God has in store for our ministry in the next 12 months. He's already been so good, and we are grateful for His continual working in our personal lives and the life of our ministry. We greatly enjoyed the Christmas season. It was a refreshing end to a turbulent year. Beth's Blessings, our daughter's annual Christmas project, was also a great success. This project is helping sustain basic needs for many families in our churches in Africa along with the pastors. It is a great encouragement, and I am so thankful that Beth & Jessica continue this project year after year. With the coming of the new year, we also set aside time to outline some goals for Blind Faith Ministries to accomplish in the next 5 years. We are looking forward to sharing those with you as times goes by.

Within the next couple of months, James and Abby Baxter, the young missionary couple partnering with us in Africa, will be headed to Uganda to begin work among the South Sudanese refugees. We have been making plans and working on filling containers to be sent ahead to Africa for them. This family has a great heart for the Lord and the African people, and we are looking forward to them being able to make the transition from deputation to the field very shortly. Please pray that their departure date would not be pushed back due to COVID.

We want to thank Bro. Tom Green and Direct Line Ministries for their commitment to cracking a tough nut by getting supplies and Bibles into Venezuela. We also desire to thank Bro. Tim Carte, former missionary to Venezuela and mentor of mine, for his painstaking work to get them into the country. Only eternity will tell what his behind-the-scenes work will mean to the people of that region. Please pray that these Bibles would be used by God to help many grow in Him.

Due to the vaccine now being available for COVID, we are praying that God will open up more doors for us to travel. I would like to be able to visit several of our national pastors this year as well as continue travelling within the United States to both supporting and potential supporting churches.

Once again, we are humbled and grateful for your faithful prayers & support. You all are likewise in our prayers. We are thankful for the opportunity to partner with you.

In Christ,

The Porterfields
