WORK BEING CHALLENGED

Challenges:

- *We have not resumed our Bible college training of our pastors*
- *We have not accessed south sudan as we ought due to civil wars*
- *We have not done extensive evangelism due to restriction on movements*

- *We have not formalized most of our land documents to land titles yet due to lack of movement we ask for your prayers*
- *Pray for more funding for this ministry to reach more people*
- *More lands required for churches*
- *More churches to be constructed*

WAYS OUT OF CHALLENGE

- *Pray without ceasing*
- *Provide heartedly as Lord Leads*
- *Promote Gods service*
- *Prove your faithfulness to the Lord As He enables you*
