Dear Pastor,

It is my pleasure to recommend to you Bro. Eric Porterfield for missions support. Bro. Porterfield has a miraculous testimony and tremendous burden to reach the people of our planet's newest nation, South Sudan.

Bro. Porterfield has already been to South Sudan and the work has already begun. It is providential to say the least how the Lord has opened up doors for him in the country. From establishing a relationships with several public officials, to seeing over 3,000 folks saved in preaching services in just a 6 week trip to the country.

South Sudan is as tough a mission field as you will find, with little to no running water in the country, electricity that only works a few hours a day and a crop production that is on the brink of one of the worst famines in decades.

It is my belief that Bro. Porterfield has the call of God on his life to bring the gospel to the nation of South Sudan. He is a soul-winner and a true gospel preacher; I believe he has/will represent Christ and all the churches that support him in a 1<sup>st</sup> class manner.

If it would be at all possible for you to invest in Bro. Porterfield and the work in South Sudan for regular missions support, I believe that it would be a worthwhile investment. An investment is more than an offering. An offering is a gift that you expect nothing in return. An investment is something that you expect a return on. I believe that your return will be souls for the harvest.

If I can answer any questions about Bro. Porterfield and the work in South Sudan, you may call me at 859-277-6811. Thank you for your consideration in this matter and may the Lord bless you.

In Christ,

Dr. Jeffery J. Fugate, Pastor
