To Whom it May Concern:

This letter is to highly recommend Bro. Eric Porterfield. He loves Jesus and the lost souls of mankind. He is a good man with a good family and a great home church that is behind what he is doing. You cannot go wrong supporting this man and his work. If you have any question, feel free to contact me at (770) 473-1254. Thank you and God bless.

In His Service,

Dr. Joe Arthur
