To Whom It May Concern:

I want to give my endorsement of Brother Eric Potterfield, who God has let go to South Sudan and lead a movement to plant an Independent, Fundamental, old fashion bible believing, soul winning Baptist Churches. I've known Brother Potterfield for many years and I have watched God do a mighty work in his life to prepare him for such a time as this.

It is exciting to think of new churches being birthed in a new nation that was started for the persecuted Christian's of Sudan. We here at Belle Meadows have included Brother Potterfield in our missions to be a part of the coming harvest.

Eric Potterfield is sound sincere Spirit filled and burdened for those dear people in South Sudan. God is moving in Africa and we would love to get in on souls being saved, lives being changed and churches being established. Brother Eric lost his physical sight, but he has been given a spiritual sight that is wonderful.

I am confident that your mission dollars will be well invested in this worthy work. If you have any questions please call me @276-669-4023 or 423-340-1609.

Your Friend and Servant in Christ,

Dr. Dewey W. Williams
